USER MANUAL

Pedal Exerciser

MP30401

Parts of the product

1	Pedal
2	Adjusting knob
3	Steel Frame
4	Tip

Warranty

1 year for main frame only, not including any consuming parts(wheels, brakes, and so on...)

Intended Use

Designed for low impact rehabilitation and exercise this Pedal Exerciser is NOT a suitable alternative to a full size gym exercise bike or similar. It is ideal for those with reduced mobility or those who wish to complete a little gentle exercise. It incorporates a digital display to enable users to view cycles completed, RPM, duration and calories burned.

Caution

Do not stand on the mini exercise bike! Do not overload the pedals! It has risk of damage to the mini exercise bike.

- Do not use the device before carefully reading the user manual.
- Use of the following device for purposes other than those defined in this manual is prohibited.
- For correct use of the device, always consult your doctor or therapist.
- Keep the product packaged away from any heat source; the packaging is made of cardboard.
- The lifespan of the device is determined by the wear of non-repairable and/or replaceable parts.
- Always pay attention to the presence of children.
